- 1. Rotating Banner:** The banner on the Home Page cycles through a series of background images, with each image corresponding to one of our Market pages.
- 2. Learn More Link:** Depending on which image is displaying in the banner, clicking on the “Learn More” link will take you to that corresponding Market page. In the example above, clicking on the “Learn More” link would take you to the Aerospace Market page.
- 3. Left Navigation:** Clicking on one of these options will navigate to that page
  - View All Products* – takes you to our new, robust, search engine to help in locating the product(s) you need.
  - View Accessories* – takes you to the compatible Accessories available for our products
  - Search by Market* – Takes you to our Market Home Page where you can search by the Market type for your industry.
